

Nosy Sakatia

Island of orchids

Morning discovery, afternoon relax...

Nosy Sakatia is the most authentic island of Nosy Be (protected and classified by the Ministry of Environment).

Accompanied by a local guide, discover the inside of the island during a trekking of one hour and half: blazing flamboyant, coffee trees, pepper pots, vanilla, tree of the "traveler", pineapple, anacardier, mangos, jacques, guava, eucalyptus, raphia, orchids, healing plants, etc... Everything is there !!!

Culture and traditional activities of the Malagasy autochthons, fishermen, and craftsman invite you to share their lives with the rhythm of a generous and respected nature.

For your wellness, You will finish your journey on a private and splendid beach; a real piece of paradise and tranquility.

Lunch on a beach, snorkeling, kayaks and beach games are at your disposal.

We offer you 3 options: option traditional fishing, option trekking or option massage and wellness.

INCLUDED: crossing with a traditional boat, lunch, mineral water, welcome drink and flavored rum, snorkel equipment, beach towel, multilingual guide, kayak and beach games.

NOT INCLUDED: supplementary drink and personal expenses.

Departure 09.00 am, return 3.30 pm.
